		Probability	Severity	Rating		Probability	Severity	Rating
Competitive match play and training	Infection risk of Covid-19	3	4	12	<ul style="list-style-type: none"> Safety briefings prior to competitive activities should be provided reminding participants of the rules and the requirement to social distance during breaks in play. Handshakes/huddled celebration will not happen. Players will be asked to hand-sanitise before kick-off. Team talk huddles should not take place. Team talks can take place, as long as social distancing is observed and held outdoors where possible. Warm-ups/cool-downs should always observe social distancing. Coaches, other team staff are allowed, but must also always observe social distancing in the venue. Social distancing must also be observed during interactions when rotations are being made. Players are to stay in their groups while match preparation is taking place and remain socially distanced Set plays/waiting – freekicks/corners: Coaches should encourage players to get on with the game and not unnecessarily prolong set play set-up, such as defensive walls, while waiting to start continue play 1m+ must be kept between players. Goal celebrations should be avoided. Interactions with Coaches and assistants should only happen with players observing social distancing. Footballs should not be handled unless for throw-ins and if the ball goes outside of the pitch confines then it should be sanitised before-entering play and alternative sanitised ball used to help the game flow. Use of foot instead of hands where possible. Goalkeepers to disinfect their gloves regularly. 	2	4	8
